The Buyer is responsible for the daily health care and maintenance of the pet, including all immunizations and examinations recommended after purchase, as well as providing necessary medication and follow-up treatments from veterinarian visits. In order for the guarantee to remain in effect you must keep receipts and records to verify that you have taken your pet to a duly licensed veterinarian for checkups and all required immunizations.

4. In the unlikely event of the death of the puppy within two years from its birth due to genetics, the Breeder shall replace the pet with another of equivalent value at no cost to the Buyer within 160 days. All conditions set forth in paragraph 16 apply.

Limitations of Two year guarantee

16. The Seller defines a "two year guarantee" period, herein referred to as from the puppy's date of birth. The dog must be in good physical condition. In the unlikely event said puppy is found to have a congenital or genetic defect that is life-threatening, a statement from 2 different licensed DVMs (Doctor of Veterinary Medicine) of buyer's choosing confirming such an

event and case is required before any action will be taken by the Seller. Seller reserves the right to a third opinion of Seller's choosing to determine the congenital defect. If this guarantee is exercised and a replacement puppy is given then the original puppy may be kept or returned to the Seller at the Buyer's expense. All shipping costs are paid by the Buyer. No replacement will be given if the dog has been bred. All laboratory verification must be done by a licensed DVM. No replacement will be given if breeds that are known to be prone to hip dysplasia are overweight or over exercised. Failure of the Buyer to provide a puppy with timely inoculations or regular veterinary care will void this guarantee. This guarantee does not cover any Veterinarian costs. The Buyer is aware that owning a puppy means frequent visits to a Licensed Veterinarian and understands that he/she will be responsible for all payment. This guarantee does not cover any of the following conditions: intestinal parasite (Coccidiosis, Giardia, Skin Mites, Mange (Sarcoptic, Demodectic or Cheyletiella), Cherry Eye, Allergies, Herniations (Inguinal, Perineal, or Diaphragmatic), Heart Murmur grades I, or II, Patella Luxation grades I, or II, and seizures. Over exercising is as follow: running with the dog (slow jog up to 1 mile is appropriate) or jumping the dog before it's joints are mature enough to handle it (no agility course or agility training). All the above mentioned conditions must be met or guarantees above mentioned will be void. Temperament issues are not covered under this guarantee as they can be caused by a lack of training, discipline or proper dog socialization. The owner is responsible for all transportation costs to and from the Seller. If within two years from the date of purchase from Seller, a dog is found and certified by two duly licensed Veterinarian doctors to have congenital or hereditary disorders which adversely affect the health of the animal, and if the Seller is notified with five business days of the veterinarians determination, the Seller will provide a replacement puppy of equivalent

value. The Seller is not responsible for any veterinarian fees, shipping costs or any other associated costs. Seller does not guarantee against low-blood sugar (Hypoglycemia), or any other *non-life threatening illnesses common to puppies*. This contract is not valid outside the United States.
